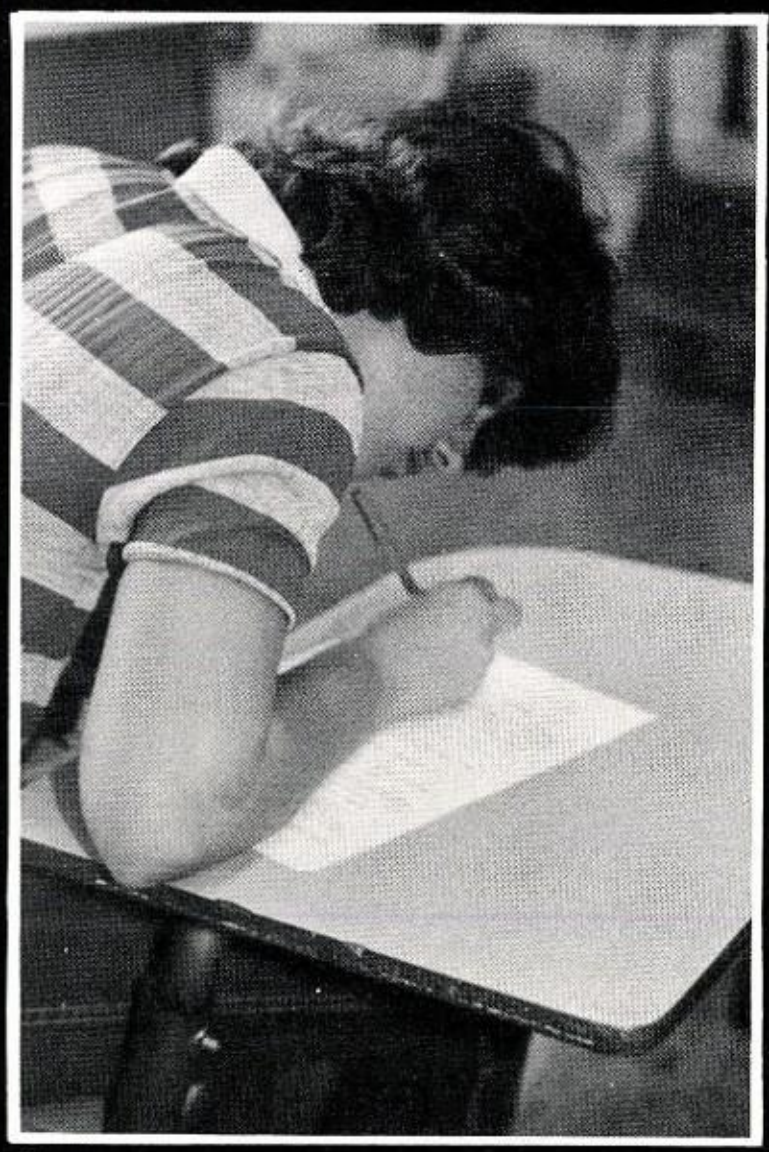
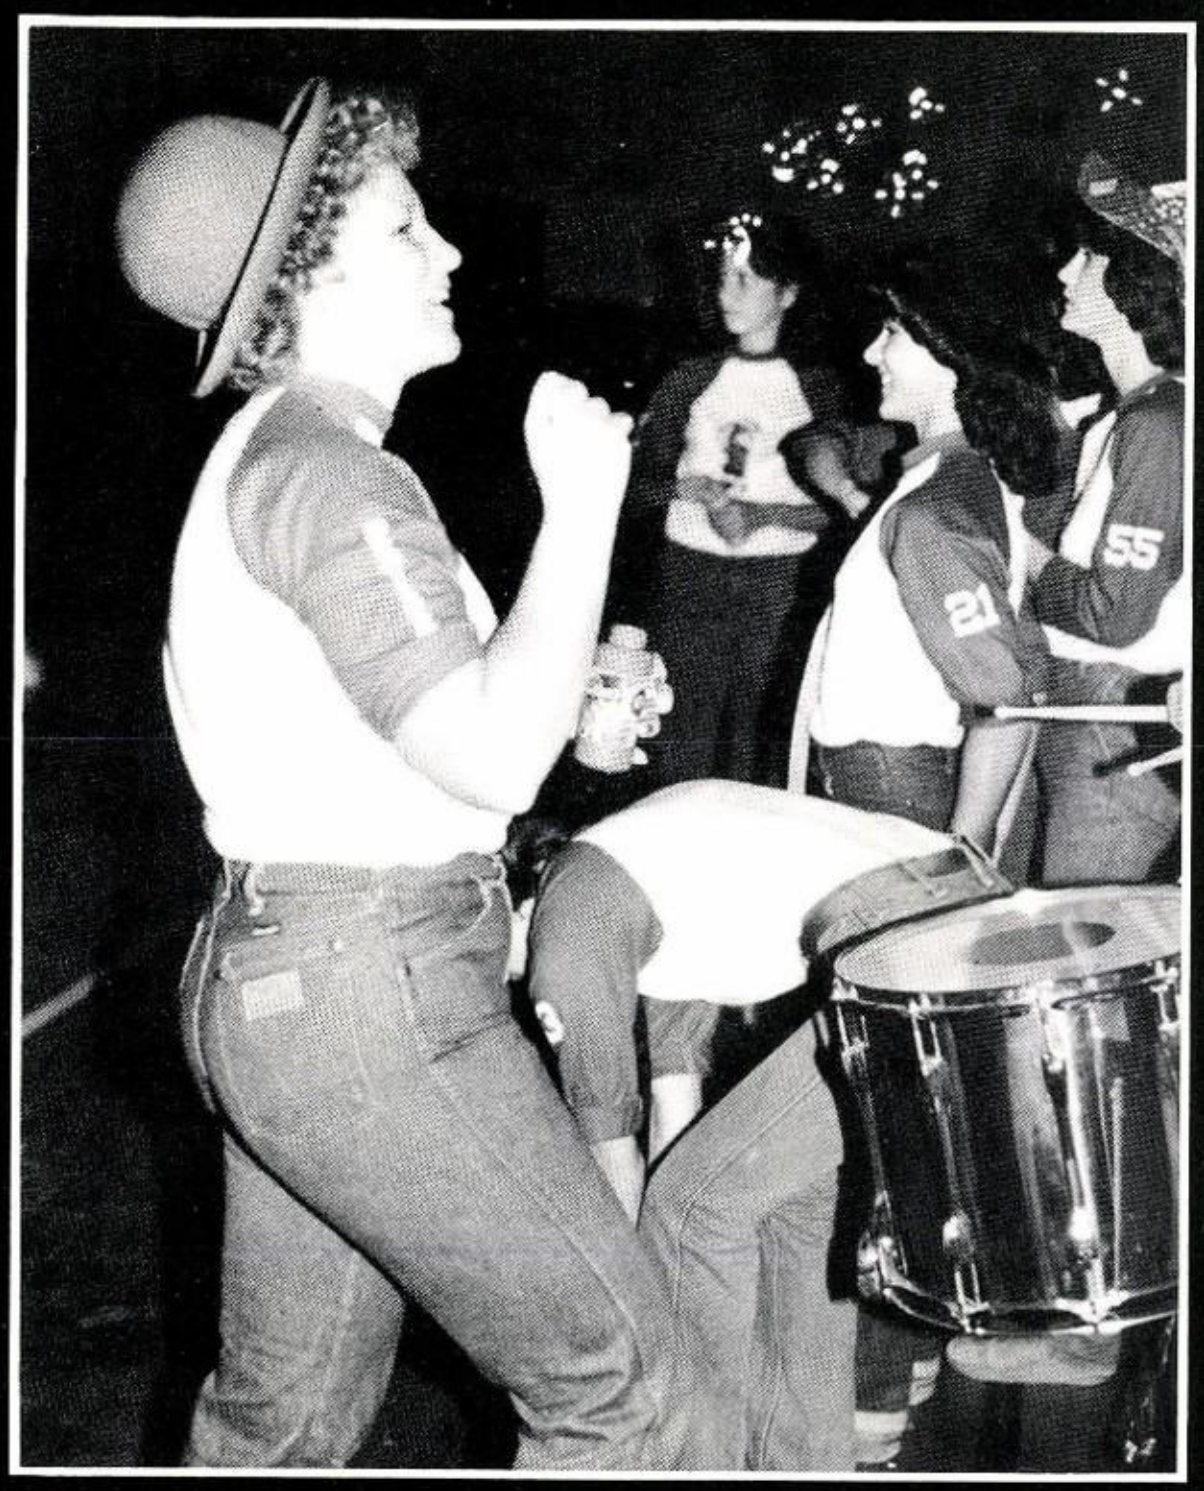
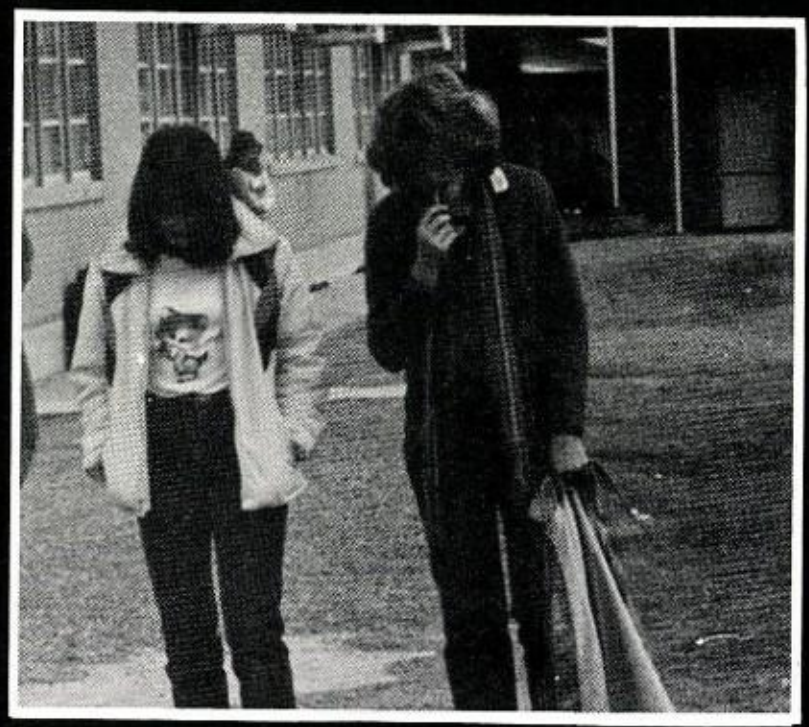
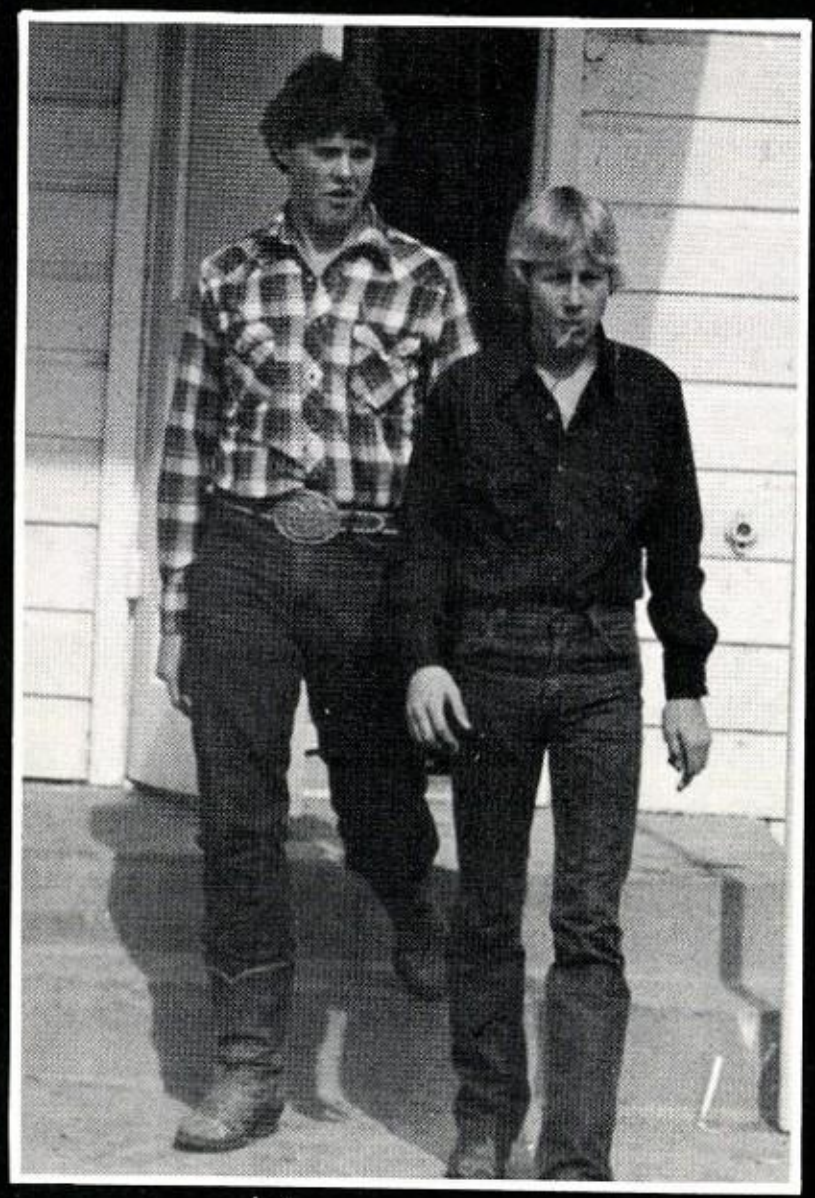
Remember The Times Of Your Life
For It's Hard To Find
The Memories You Leave Behind



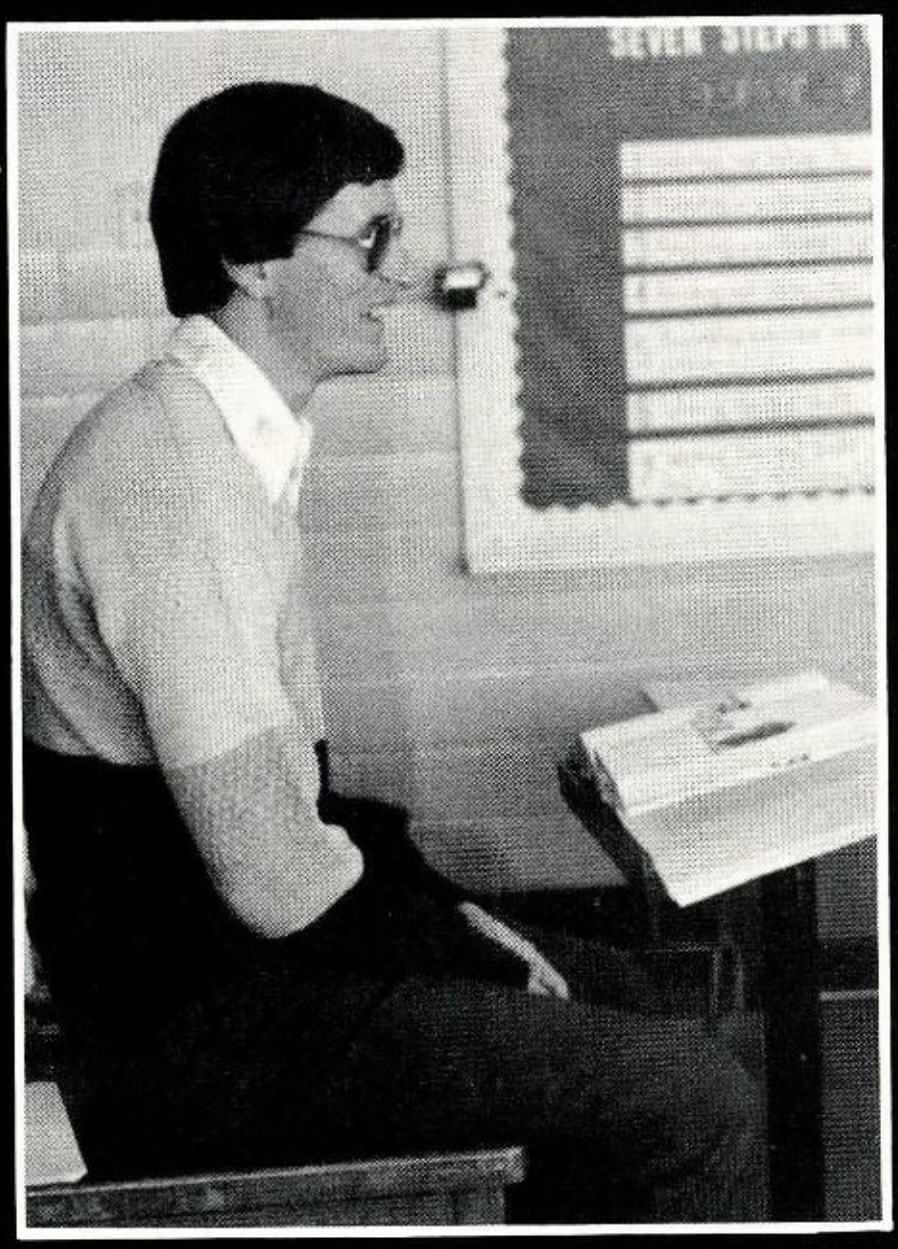


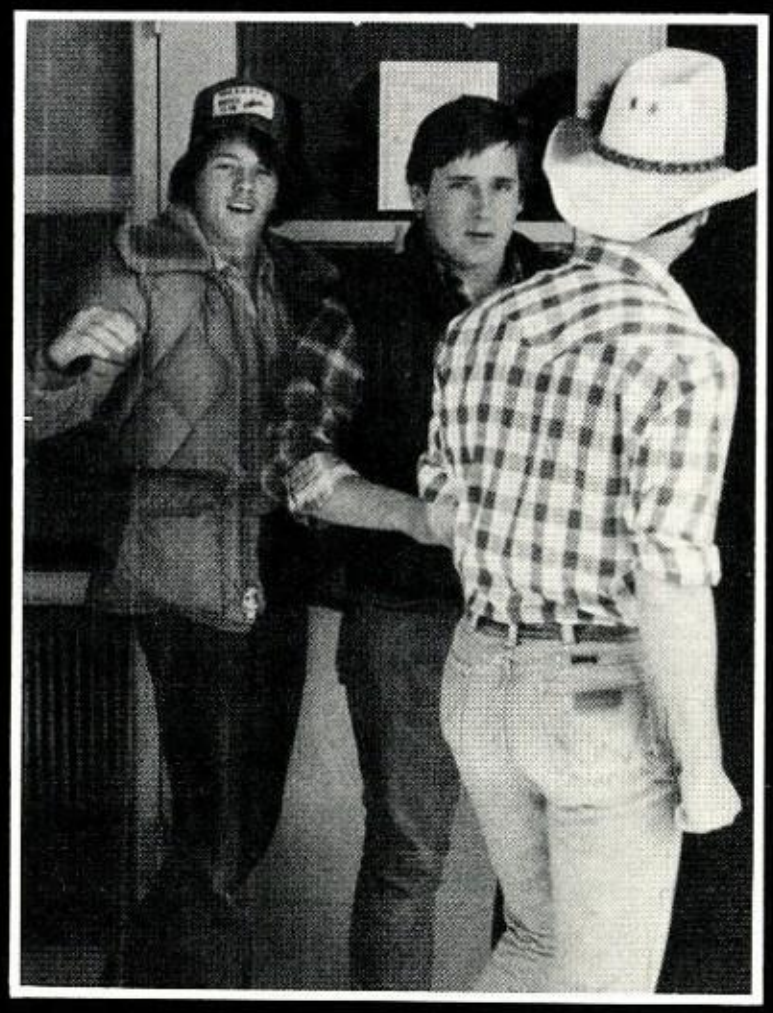




Forget Not The
Laughter And Tears
The Shadows Of
Yesteryears
The Good Times
And Bad, The Happy
And The Sad

The Seasons Are Passing One By One So Gather Moments While You May, Collect The Dreams You Dream Today





Always Remember The Times Of Your Life!

In Loving Memory of Coach Gary Krejci

The halls that once echoed with his whistle,
his jubilant song, even his smile
Have shifted into a stillness of shattering silence,
Something that will not be forgotten for a long while.
The football field along which he would so nervously pace
Where he taught intestinal fortitude with style and grace—
The trophy case that housed his triumphs and trials—
The unselfish love he left behind, which knew no denial—
Look around, in the little things, and see
Everywhere a small something in his memory.

He's gone. That's the unvarnished fact,
But he still remains etched within—frequenting our minds.
He'll now find greater contentment—
A greater happiness than within the world he left behind.
He is gone. It's said he'll never come back,
Yet I foolishly await the moment
That he'll walk through the door, sit in his old chair,
and laugh at our excitement.

He gave his last five years to Miles High School
Where he constantly reminded us of the Golden Rule.
He shed light in darkness, even up to the very end,
He was a teacher to some, a coach to others,
but to everyone, a FRIEND.

ADMINISTRATION AND FACULTY

Miles School

Congratulations to the Senior Class of 1982.

You are a part of a history-making graduating class. Besides your graduation, you took an active part in passing a Building Bond program. Although you will not be here to enjoy the new facilities, you will be known as one of the classes to take the lead in working to secure better facilities for future graduating classes. Please continue this leadership in your future life as a productive citizen of our society.

As a last remark, remember to put God "first" in your life and your blessings will be multiplied many times over.

To be considered for membership in the National Honor Society, a student must have a 90 average in all high school courses. The eligible students are rated by the high school faculty on character (honesty, reliability, industry, cooperation, morality, and emotional stability), service (both school and community), and leadership (initiative, good influence, and concern for others). Each teacher rates only those students he feels qualified to rate. About 15-20 percent of the Senior Class, 10-15 percent of the Junior Class, and 5-10 percent of the Sophomore Class are admitted to membership. Sophomores and Juniors who were not admitted to membership this year may be considered for membership next year.

West Zone Championship

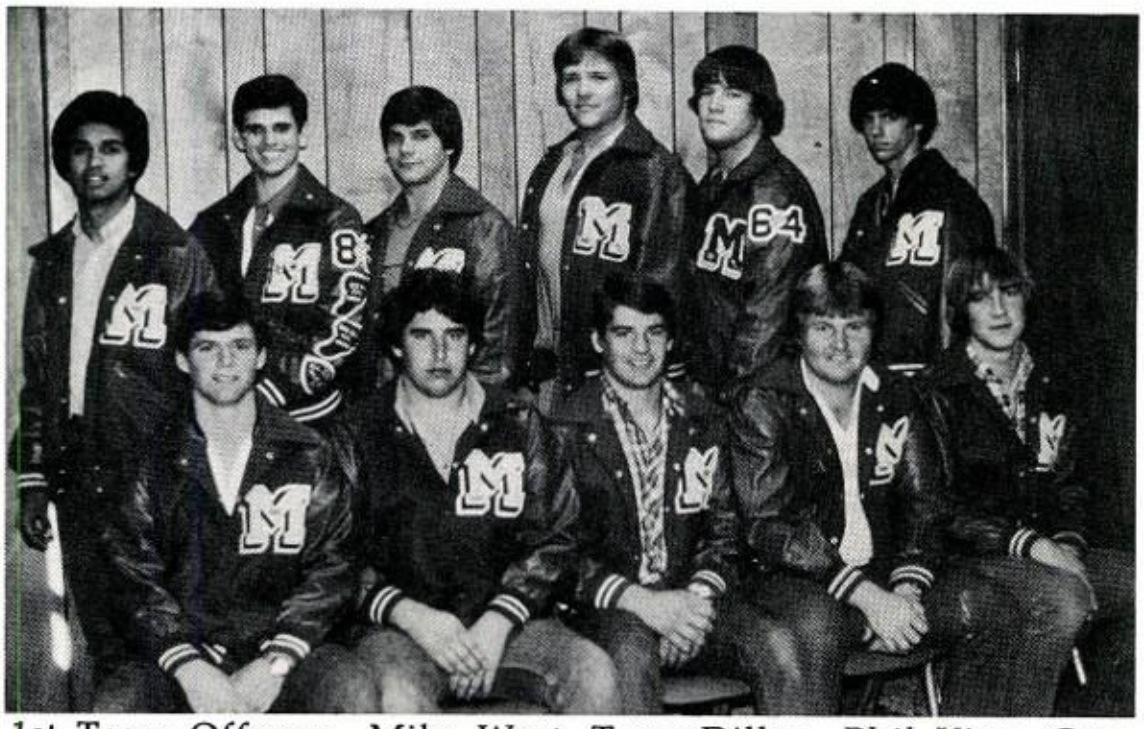
The 1981 football season held great expectations for the Miles Bulldogs. With several starters and lettermen returning, the Bulldogs had a team goal of winning the 7A District Championship.

After strong showings in the two pre-season scrimmages against Rocksprings and Blanket, the team of Bulldogs began the regular season with two sound victories over Water Valley and Loraine. Sterling City gave the Bulldogs their first loss in a hard fought battle. Miles rebounded by defeating a strong Garden City team. In the last non-district game, Roby beat Miles in a mistake-filled game.

The Bulldogs began district play by shutting out their first three opponents, which included a 8-0 defeat of Santa Anna in a hard played defensive game. In an offensive game Miles defeated their arch rival, the Bronte Longhorns, by the score of 26-19. In the showdown for the West Zone Championship, the men from Miles defeated Eden 22-6 in one of their best played games of the season. This victory earned Miles the right to play Gorman for the coveted 7A District Championship. The Bulldogs fell short of their goal by losing to Gorman in the game played at Brownwood.

While the Miles Bulldogs did not attain their team goal, the 1981 season holds so many memories. The team finished with a season record of 8-3 and placed several players on the District 7A West Zone All-District team (pictured below). The Junior Varsity team also played some exciting games and finished the season with a 3-3 record.

The sucess of the season for the Bulldogs is a tribute to the players and the coaching staff for their hard work throughout the season and also to the student body and loyal fans that backed their team—Win or Lose!



1st Team Offense—Mike West, Tony Dillon, Phil King, Greg Schwertner, Willie Banks, Ruben Casarez. Junior-Senior Banquet

The Junior Class of Miles High School
requests the honour of your presence
at the Junior-Senior Banquet and Prom
on the 16th day of April
nineteen hundred eighty-two
at eight o'clock in the evening
at the Banquet Hall of the Holiday Inn

After a lovely buffet dinner, the Juniors and Seniors enjoy an evening of music and dance.

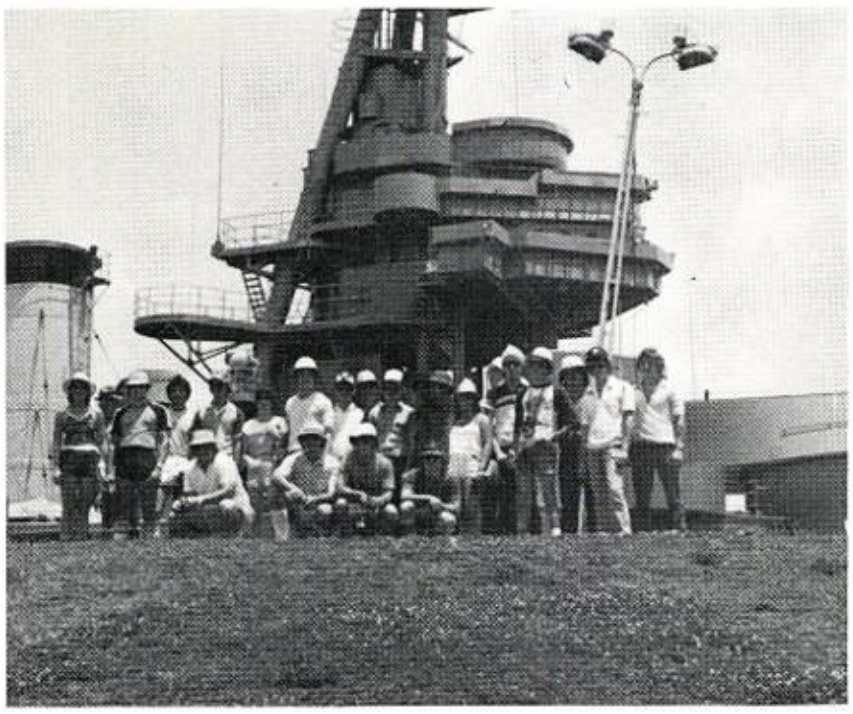
Former principal, Bob Murray shared a few memories as guest speaker.

Members of the Junior and Senior class enjoyed the relaxed after dinner atmosphere.

Greg Hohensee and Vivian Ehrig seem to be having a great time.

Mr. Jim Pitts made our prom complete by taking pictures of this glorious occasion.

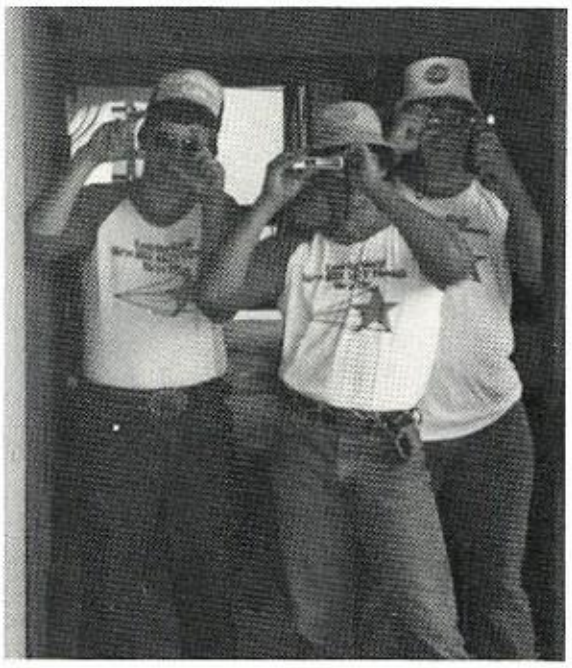
1982 Senior Trip



The Seniors enjoyed touring the Battleship Texas at San Jacinto Battleground in Houston.

The Senior Class worked together during the year to raise money for a trip that created memories that will last a lifetime. Houston and Galveston was the destination of the Seniors. The first day was spent shopping and ice skating at the Galleria Mall in Houston. The second day was spent relaxing and swimming at the LaQuinta Inn and also touring the San Jacinto Battleground. While in Houston, we also visited the Windmill Dinner Theater. The next day we traveled to Galveston. We toured Sea-Arama and enjoyed swimming in the Gulf. We would like to thank everyone who helped make these memories for us. We would like to extend a special thanks to our Senior sponsors and parents.

The Seniors still look ready for action, after spending the day shopping and skating at the Galleria Mall.



In order to capture memories, picture taking was a major part of the trip.

The Dinner Theater was an occassion for which everyone dressed especially nice.

The Seniors enjoyed staying at the La Quinta Inn in Houston.

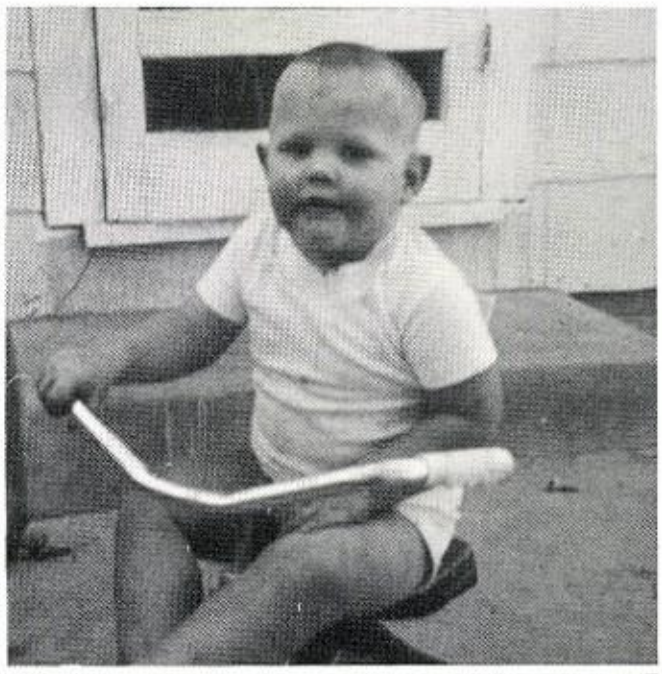
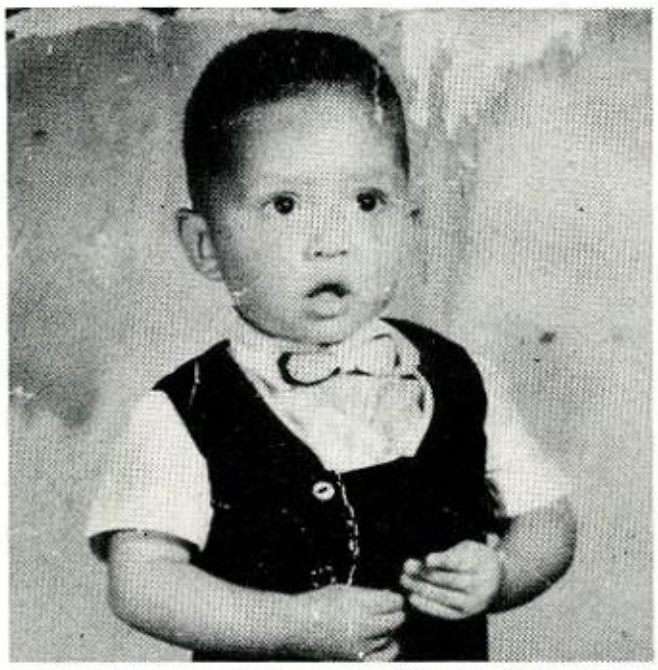
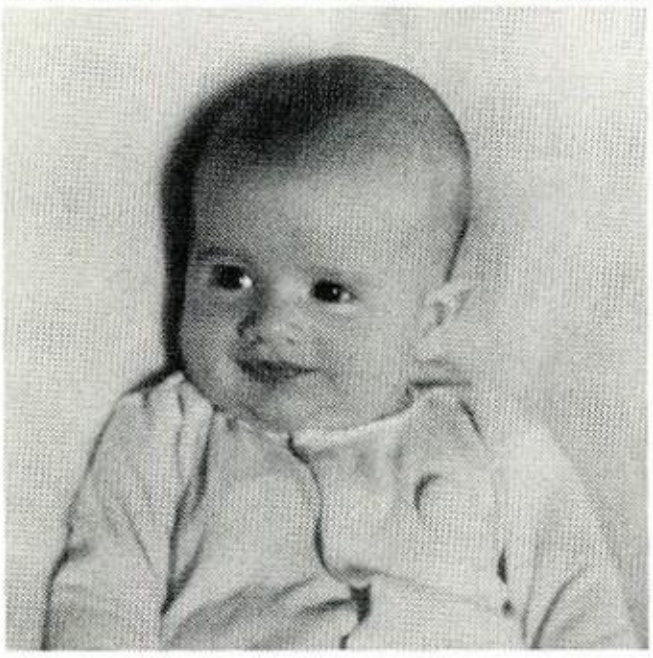
Seniors Have Created

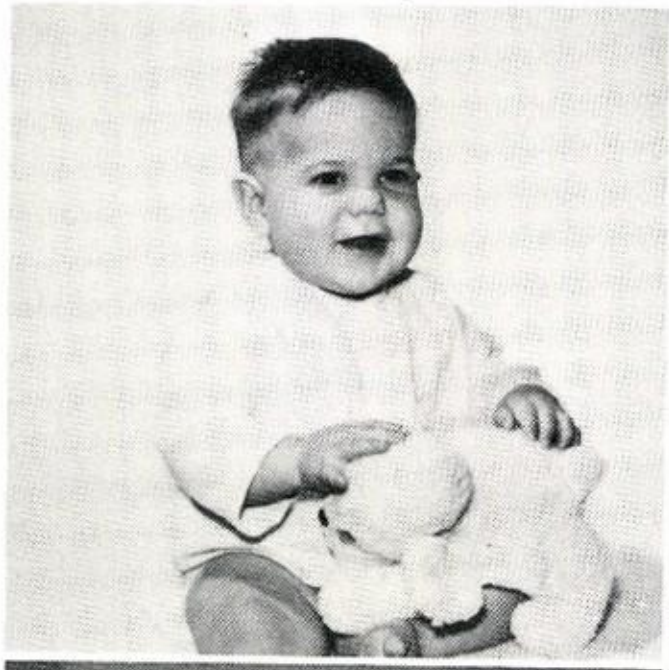
Yesterday has
become history
Only memories
in our mind,
We travel
the road of life
Keyed to the
clock of time.

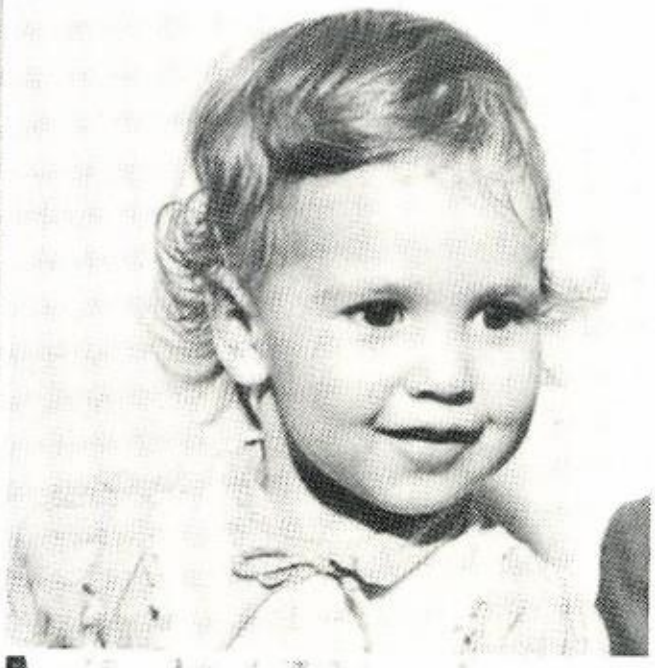


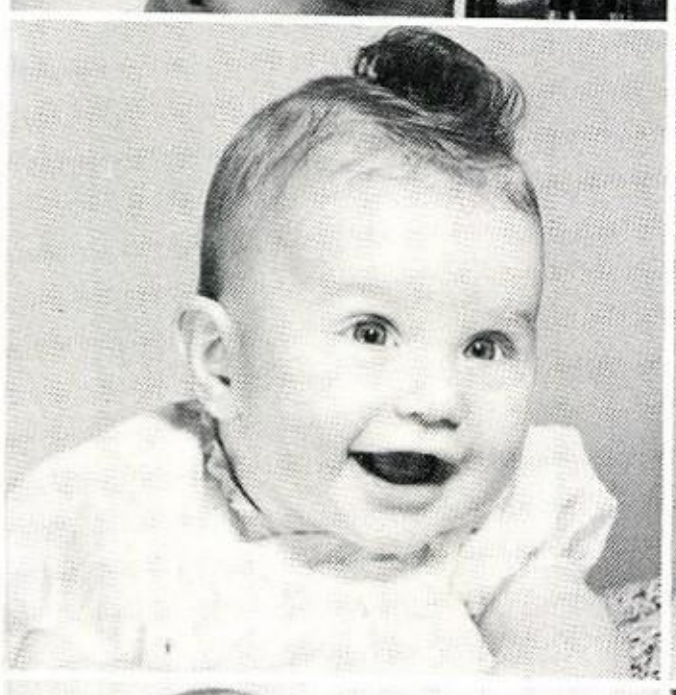


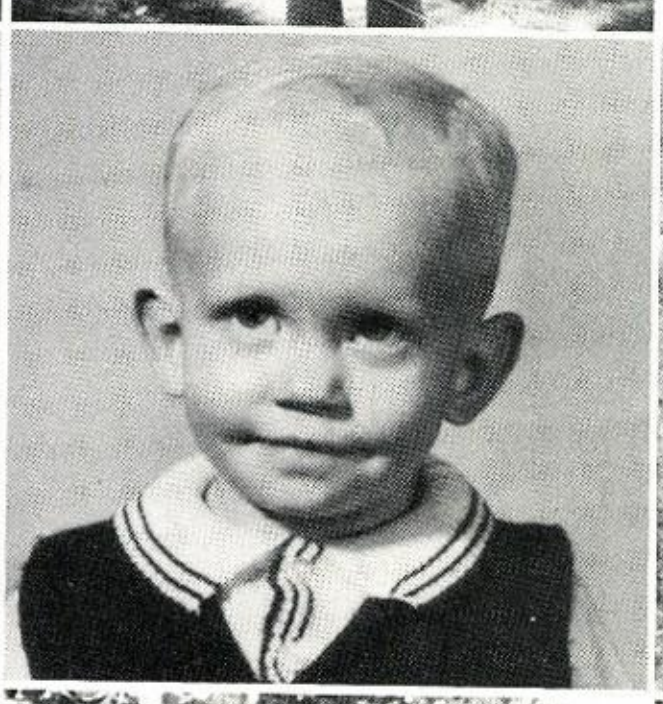


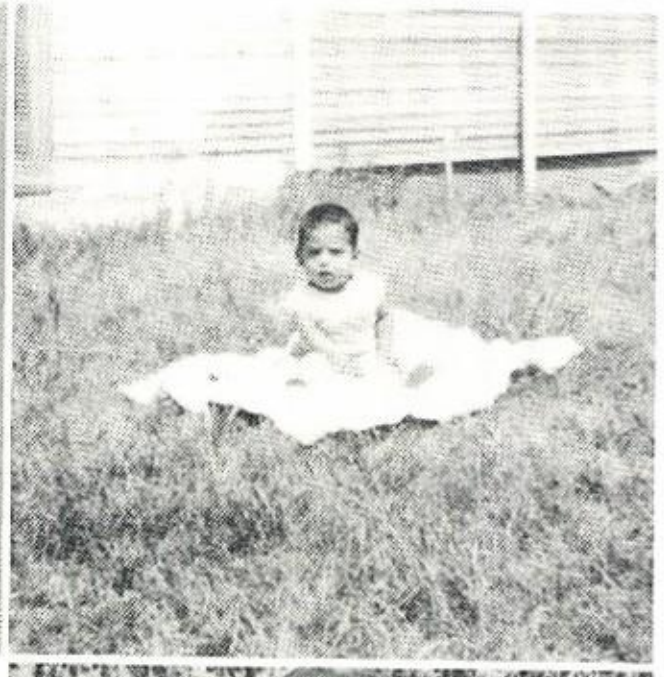
Worlds of Their Own

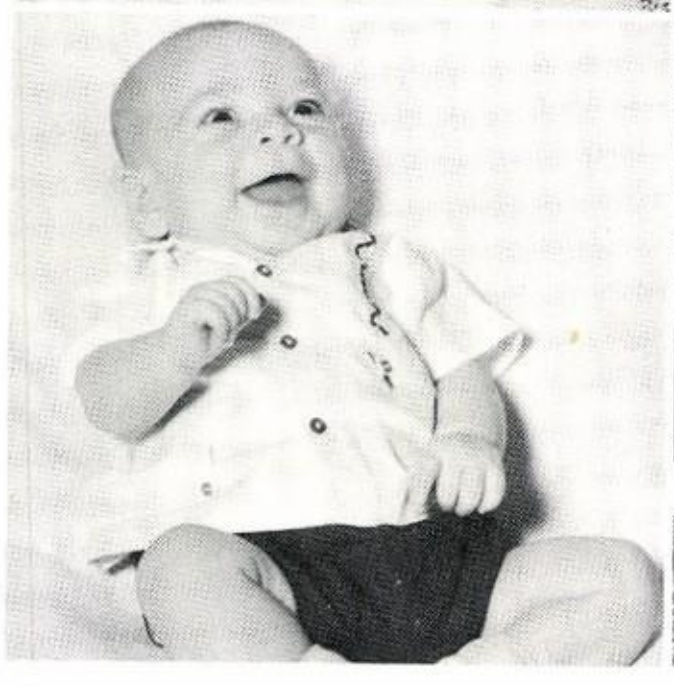


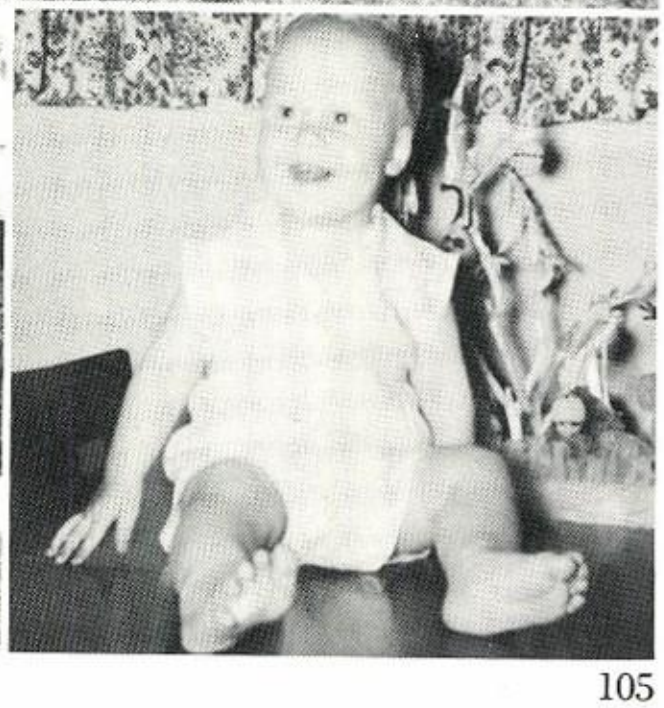












As the history
of yesterday
Will always
remain;
So will the
friendships
that we
have gained.

We've Only Just Begun

We've only just begun to live,
Sharing horizons that are new to us
Working together day after day
So much of life ahead
We'll find a place where there's room to grow

We've
Only
Just
Begun!
